SECTION ONE

Purpose

1

This section introduces readers to the Land Use Bylaw, establishes jurisdiction, clarifies enforcement and penalties, and the process in place for amending the Bylaw.

Jurisdiction

1-1 TITLE

This Bylaw is entitled 'Village of Beiseker Land Use Bylaw No. 2019-04', hereinafter referred to as the "Bylaw".

1-2 PURPOSE

The purpose of the Bylaw is to regulate land use within Beiseker to achieve the fair and orderly development of land as well as to:

- a) Organize the Village into Land Use Districts, hereinafter referred to as Districts;
- b) Prescribe and regulate, for each District, the purpose for which land and buildings may be used;
- c) Define and establish the roles of the Development Authority;
- d) Establish a method of making decisions on applications for development, including the issuing of Development Permits;
- e) Prescribe the method for notifying residents and owners of land likely to be affected by a development, a Redistricting, and/or the issuance of a Development Permit;
- f) Prescribe the method for appealing a decision relative to the Bylaw; and
- g) Establish a method of making decisions on applications for amending the Bylaw.

1-3 LEGISLATIVE CONSISTENCY

Municipal Government Act:

- a) The Bylaw is consistent with the Municipal Government Act (MGA), as amended. The MGA takes precedence in a case of dispute on the meanings of all words or clauses;

Alberta Land Stewardship Act:

- b) The Bylaw is consistent with the Alberta Land Stewardship Act (ALSA), as amended;

South Saskatchewan Regional Plan:

- c) The Bylaw is consistent with the South Saskatchewan Regional Plan (SSRP), as amended;

Beiseker Municipal Development Plan:

- d) The Bylaw is consistent with the Village of Beiseker Municipal Development Plan (MDP), as amended;

Other Plans & Bylaws in the Village:

- e) The Bylaw shall be used in conjunction with policies and procedures as adopted and amended by Council including, but not limited to, Area Structure Plans, Area Redevelopment Plans, and any Infrastructure Master Plans as they pertain to transportation, water, sanitary and/or stormwater management.

1-4 INTERPRETATION

- a) Words used in the singular include the plural and words used in the present tense include the other tenses and derivative forms;
- b) The words “shall” and “must” require mandatory compliance, except where a variance has been granted pursuant to the MGA or the Bylaw;
- c) Words, phrases and terms not defined in the Glossary may be given their definition in the MGA or, in the absence of a definition in the MGA, the Alberta Building Code as amended from time to time. Other words shall be given their usual and customary meaning;
- d) Where a provision involves two or more conditions connected by the conjunction “and,” all the connected items shall apply in combination; “or” indicates that the connected items may apply singly; and “and/or” indicates the items may apply singly or in combination;
- e) In the case of any conflict between the text of the Bylaw and any maps or drawings used to illustrate any aspect of the Bylaw, the text shall govern; and
- f) Timelines outlined within the Bylaw shall be complied with pursuant to the Alberta Interpretation Act.

1-5 SEVERABILITY

Each provision of the Bylaw is independent of all other provisions, and if any provision is declared invalid by a decision of a court of competent jurisdiction all other provisions remain valid and enforceable.

1-6 EFFECTIVE DATE

The effective date of the Bylaw shall be the date of the third reading and signing thereof in accordance with the MGA. All amendments to the Bylaw, any Redistricting, or Development Permit applications received on or after the effective date of the Bylaw shall be processed and considered upon the provisions outlined herein.

1-7 REPEAL OF PREVIOUS LAND USE BYLAW

The ‘Village of Beiseker Land Use Bylaw No. 03-2013’ and amendments thereto are hereby repealed.

1-8 FEES AND CHARGES

All fees and charges under and pursuant to the Bylaw, are established within the ‘Fees and Rates Bylaw,’ as amended.

Bylaw Enforcement

1-9 LAND USE BYLAW ENFORCEMENT

- a) The Development Authority or a Designated Officer may enforce the provisions of the Bylaw, or the conditions of a Development Permit pursuant to the MGA and the *Provincial Offences Procedure Act* (POPA), as amended;
- b) Enforcement may be by violation ticket pursuant to POPA, notice of violation, or any other authorized action to ensure compliance;
- c) The enforcement powers granted to the Development Authority under the Bylaw are in addition to any enforcement powers that the Village or any of its Designated Officers may have under POPA; and
- d) The Development Authority shall be a Designated Officer for the purposes of Section 542 of the MGA.
- e) The Development Authority may exercise all such powers concurrently.

1-10 OFFENSE UNDER THE BYLAW

- a) Any owner, lessee or occupant of land, or a building, or the owner of a structure or a sign thereon, who with respect to such land, building, structure or sign, contravenes, causes, or allows a contravention of any provision of the Bylaw commits an offense;
- b) Any person who commences or continues development for which a Development Permit is required but has not been issued, has expired, has been revoked or suspended, or which is in contravention of a condition of a Development Permit under the Bylaw commits an offense; and
- c) Any person who prevents or obstructs the Development Authority or a Designated Officer from carrying out any official duty under the Bylaw or the MGA commits an offense.

1-11 STOP ORDER

Pursuant to Section 645 of the MGA where an offense under the Bylaw occurs, the Development Authority may by written notice, order the owner or the person in possession of the land or buildings, or the person responsible for the contravention to:

- a) Stop the development or use of the land or buildings in whole or in part as directed by the notice;
- b) Demolish, remove or replace the development; or
- c) Carry out any other actions required by the notice so that the development or use complies with the Bylaw.

1-12 ENTRY & ENFORCEMENT

Pursuant to Section 542 of the MGA a Designated Officer may, after giving reasonable notice to the owner or occupier of land or the structure to be entered:

- a) Enter on that land or structure at any reasonable time, and carry out any inspection, enforcement or action required to assess or enforce compliance with this Bylaw;
- b) Request anything to be produced to assist in the inspection, remedy, enforcement or action; and
- c) Make copies of anything related to the inspection, remedy, enforcement or action.

1-13 SPECIFIED PENALTIES FOR OFFENCES

- a) The minimum specific penalties for offence against the Bylaw are as outlined below:

Table 1 – Minimum Specified Penalties

 - access and egress points

- vi. adjacent street labels
- vii. location of existing buildings and setbacks (if applicable)
- viii. any development setbacks, easements or utility rights-of-way etc.
- g) Any supporting studies, plans or other information deemed necessary by the Development Authority.

1-17 AMENDMENT DUTIES OF THE DEVELOPMENT AUTHORITY

Upon receipt of a completed application requesting an amendment to the Bylaw, the Development Authority shall:

- a) Prepare an Amending Bylaw for First Reading by Council;
- b) Prepare a background report, including plans and other relevant material, and submit same to Council for their review prior to First Reading;
- c) Provide two (2) weeks' notice of any public hearing to all adjacent registered owners;

1-18 DECISIONS ON BYLAW AMENDMENTS

Council may, in reviewing a proposed amendment to the Bylaw:

- a) Approve the proposed Bylaw Amendment as it is; or
- b) Make any changes it considers necessary to the proposed amendment and proceed to approve it without further advertisement or hearing; or
- c) Refer the proposed Bylaw Amendment back to administration for more information or further review and changes, then reschedule the application for further consideration; or
- d) Refuse the proposed Bylaw Amendment as it is.

1-19 RECONSIDERATION

If an application to amend the Bylaw has been refused by Council, the same application shall not be reconsidered for at least six (6) months after the date of refusal, unless, in the opinion of the Development Authority, the reasons for refusal have been adequately addressed or the circumstances of the application have changed significantly.

SECTION TWO

Process

2

This section outlines the role of the Development Authority, and the procedures and responsibilities related to the Village's Development Permit process.

Authority & Responsibilities

2-1 DEVELOPMENT AUTHORITY

- a) The Development Authority is established herein pursuant to the MGA and is a person or body who is authorized to exercise development powers and duties on behalf of the Village;
- b) The Development Authority shall include one or more of the following:
 - i. A Development Officer, and/or
 - ii. The Chief Administrative Officer (CAO), or their designate.

2-2 DUTIES OF THE DEVELOPMENT AUTHORITY

The Development Authority Shall:

- a) Receive, process and make decisions on all Development Permit applications;
- b) Keep, and maintain for inspection during regular municipal office hours, a copy of the Bylaw as amended, and ensure that an online version is made available on the Village's website and hard copies are available to the public for a fee;
- c) Keep a register of all Development Permit applications and the decisions rendered on them for a minimum of seven (7) years;
- d) Make decisions on all Development Permit applications;

The Development Authority May:

- e) Refer a Development Permit application, in whole or in part, to any outside agency or local authority they deem necessary for comment; and/or
- f) Provide a written time extension agreement, in alignment with the Bylaw.

2-3 DECISIONS ON DEVELOPMENT PERMIT APPLICATIONS

The Development Authority, in making a decision on a Development Permit application for:

- a) A Permitted Use:
 - i. Shall approve the application, with or without conditions, if the proposed development conforms with the Bylaw, or
 - ii. May refuse the application if the proposed Development does not conform to the Bylaw;
- b) A Discretionary Use:
 - i. May approve the application, with or without conditions, if the proposed development conforms with the Bylaw, or
 - ii. May refuse the application even though it meets the requirements of the Bylaw;
- c) A Discretionary Use in a Direct Control District:
 - i. Shall refer the Development Permit application to Council with the appropriate recommendation, or
 - ii. May consider and approve the application providing it meets the direction set out by Council, where Council has delegated the decision to the Development Authority.

2-4 REVIEWING DISCRETIONARY USE DEVELOPMENT PERMIT APPLICATIONS

In reviewing a Development Permit application for a Discretionary Use, the Development Authority shall have regard to:

- a) The purpose and intent of the applicable District;
- b) The purpose and intent of any Statutory Plan adopted by the Village;
- c) The purpose and intent of any other plan and pertinent policy adopted by the Village;
- d) The circumstances and merits of the application, including but not limited to:
 - i. The design, character and appearance of the proposed Development,
 - ii. Whether the Development is compatible with and complementary to neighbouring parcels,
 - iii. Servicing requirements,
 - iv. Access, transportation, and internal circulation requirements,
 - v. Noise and other Nuisances,
 - vi. The impact on the public transit system, where applicable, and
 - vii. Sound planning principles.

2-5 APPROVAL OF A SIMILAR USE

The Development Authority may approve a Development Permit, with or without conditions, for a use that is neither Permitted nor Discretionary in the District in which the development is to be located, provided that:

- a) The proposed use is a similar use;
- b) The proposed use is not defined elsewhere in the Bylaw; and
- c) All public notice of the Development Permit approval specifically reference that the use was approved as a similar use.

2-6 VARIANCES

- a) Unless a specific provision of the Bylaw provides otherwise, the Development Authority may allow a Variance as a condition of a Development Permit under one of the following circumstances:
 - i. The proposed development, with a Variance, would not unduly interfere with neighbouring parcels, or
 - ii. The variance is specific to the parcel, building or sign to which it applies, not shared by a significant number of other properties, or

- iii. The variance is a result of an error in the siting of a building or structure, and the rectifying of the error would create unnecessary hardship to the registered owner;
- b) The amount of an individual Variance is at the sole discretion of the Development Authority;
- c) In the event that a Variance is granted, the Development Authority shall specify the nature of the approved Variance in the Development Permit approval; and
- d) Variances, even for permitted uses, shall be circulated.

Development Permit Requirements

2-7 CONTROL OF DEVELOPMENT

No Development shall be undertaken in Beiseker without an approved Development Permit, excluding 'DEVELOPMENTS NOT REQUIRING A DEVELOPMENT PERMIT' (Section 2-8).

2-8 DEVELOPMENTS NOT REQUIRING A DEVELOPMENT PERMIT

A Development Permit is not required for the following development, provided it complies with all applicable provisions of the Bylaw, and does not require a Variance:

Maintenance	Provided it complies with the requirements of the Alberta Building Code, routine maintenance to any building or structure, provided that such work does not: <ul style="list-style-type: none"> a) constitute structural alterations; or b) change the use or intensity of the use of the building or structure.
Outdoor Fire Pit, Barbecue or Fireplace	An outdoor fire pit, barbecue or fireplace located on a residential parcel in accordance with the Fire Pits Bylaw, as amended.
Retaining walls	Less than 1.2 m in height.
Satellite Dishes	Less than 1.2 m in diameter directly attached to a roof, side wall or Balcony.

2-9 NON-CONFORMING USES & NON-CONFORMING BUILDINGS

- a) Non-conforming buildings and uses shall be administered as outlined in the MGA;
- b) The Development Authority may issue a Variance permitting a non-conforming building to be enlarged, added to or rebuilt where:
 - i. The proposed development is consistent with the purpose and intent of the applicable District,

- ii. The proposed development will not result in any additional non-compliance with the provisions of the Bylaw, and
- iii. There is, in the opinion of the Development Authority, no significant change to the land use or an increase in the intensity of use.

2-10 APPLICANT RESPONSIBILITIES

The applicant requesting a Development Permit shall ensure that:

- a) The proposed development conforms with the Village's Statutory Plans, local engineering standards, applicable bylaws and guidelines, and any Infrastructure Master Plans, as amended;
- b) All approvals, licenses or permits are obtained from Provincial or Federal regulatory departments or agencies, as required, prior to commencing Development and that copies are provided to the Development Authority;
- c) Development does not commence until a Development Permit has been approved and issued.

2-11 DEVELOPMENT PERMIT APPLICATION REQUIREMENTS

A person preparing an application for a Development Permit shall do so using **Form C** attached hereto, and shall include the following:

- a) The completed application form;
- b) An application fee as established within the 'Fees and Rates Bylaw,' as amended.
- a) A copy of the Certificate of Title (within 30 days or as provided by the Village);

 - ix. location of existing buildings and setbacks (if applicable),
 - x. elevations, setbacks, exterior finishing materials and floor plans of proposed buildings (if applicable),
 - xi. any development setbacks, easements or utility rights-of-way etc. (if applicable), and
 - xii. any landscaping and any trees that will be cut down or removed (if applicable);
- e) Any other pertinent information required by the Development Authority respecting the site; and
- f) Any other additional information required for a Specific Use or Activity, as outlined in Section 4 'SPECIFIC USES & ACTIVITIES'.

2-12 DIRECT CONTROL DEVELOPMENT PERMIT

In the case of a Development Permit application made pursuant to a Direct Control District, all requirements and procedures pertaining to the Development Permit application will be at the direction and to the satisfaction of Council.

2-13 TEMPORARY & TIME-LIMITED DEVELOPMENT PERMIT

- a) A Development Permit may be issued on a temporary or time-limited basis for a period of time specified by the Development Authority; and
- b) As a condition of approval for a Temporary Permit, the Applicant may be required to provide a Security Deposit in the amount of the value of the site improvements required by the Development Permit. The Security Deposit shall be valid for a period of time equal to or greater than the term of the Temporary Permit.

2-14 CHANGE OF OWNERSHIP

If a business that requires a Development Permit changes ownership, a new Development Permit shall be required by the Village.

Development Permit Decisions

2-15 APPLICATIONS IN PROGRESS

All Development Permit applications received and deemed complete prior to the effective date of the Bylaw shall be processed and considered based on the provisions of the former 'Village of Beiseker Land Use Bylaw No. 03-2013', unless prior to decision being made on the application, the Village receives a request that said application be processed and considered on the provisions of this Bylaw.

2-16 RECEIVED APPLICATIONS

A Development Permit application shall not be received until such time that the 'DEVELOPMENT PERMIT APPLICATION REQUIREMENTS' (Section 2-11) have been met to the satisfaction of the Development Authority.

2-17 DETERMINATION OF COMPLETENESS

- a) The Development Authority shall determine the completeness of a received application within twenty (20) days of receipt;
- b) In reviewing an application for completeness the Development Authority may:
 - i. Determine that the application is complete and provide an 'Acknowledgment of Completeness' to the applicant, or
 - ii. Determine that the application is incomplete, provide a 'Notice of Incompleteness' and request outstanding information from the applicant, along with a time period within which the outstanding information is required;
- c) An 'Acknowledgement of Completeness' or 'Notice of Incompleteness' shall be provided to the applicant via email.

2-18 REVIEW PERIOD

- a) The Development Authority must make a decision on an application for a Development Permit within forty (40) days; and
- b) The review period commences once the 'Acknowledgement of Completeness' is provided to the applicant.

2-19 TIME EXTENSION AGREEMENT

- a) The Development Authority may request up to a three (3) month extension of the review period of a Development Permit application from the applicant;
- b) The Development Authority may grant up to a three (3) month extension of the review period of a Development Permit Application at the request of the applicant;
- c) Time extension agreements shall be agreed to by both parties in writing; and
- d) Time extensions on any approved Development Permit may be granted for a period of twelve (12) months to a maximum of three (3) extensions.

2-20 DEEMED REFUSALS

- a) A Development Permit application shall be deemed to be refused in the following circumstances:
 - i. The Development Authority does not make a decision within the review period of forty (40) days, or
 - ii. The Development Authority does not make a decision within the alternative review period as stated within a written time extension agreement, or
 - iii. Outstanding information requested as part of the determination of completeness is not submitted by the Applicant;
- b) The Development Authority shall provide notice of a deemed refusal to the applicant.

2-21 NOTICE OF DECISION

Applicant Notice:

- a) All decisions on Development Permit applications shall be given in writing to the applicant the same day the decision is made;
- b) If the Development Permit application is refused or conditionally approved, the Notice of Decision shall contain the conditions imposed or the reasons for the refusal or as part of the approval;

Public Notice:

- c) Development Permit applications for Discretionary Uses shall be posted on the Village's website and mailed out to adjacent landowners within a 100-metre distance from the parcel boundary. This notice shall include:
 - i. The location and use of the parcel,
 - ii. The date the Development Permit was issued, and
 - iii. That an appeal may be made by a person affected by the decision by serving written notice of the appeal to the Regional Subdivision and Development Appeal Board (SDAB) within twenty-one (21) days of the date of the decision.

2-22 EFFECTIVE DATE

A Development Permit does not come into effect until twenty-one (21) days from the date on which public notice was issued.

2-23 LAPSE OF DEVELOPMENT

Unless otherwise stated, a Development Permit shall lapse after one (1) year from the date of issuance unless:

- a) Development has commenced on the site, or
- b) A 'TIME EXTENSION AGREEMENT' (Section 2-19) has been granted.

2-24 COMPLETION OF DEVELOPMENT

A Development shall be completed to the satisfaction of the Development Authority within twenty-four (24) months of the Development Authority's approval of the Development Permit, unless the Applicant applies for and obtains a 'TIME EXTENSION AGREEMENT' (Section 2-19) from the Development Authority prior to the end of the twenty-four (24) month period.

2-25 CANCELLED OR SUSPENDED DEVELOPMENT PERMITS

- a) The Development Authority may cancel, suspend, or modify a Development Permit by written notice to the holder of the permit when, after a Development Permit has been issued, the Development Authority becomes aware of one the following circumstances:
 - i. The application contained a misrepresentation, or
 - ii. Facts concerning the application or the development were not disclosed which should have been disclosed at the time the application was considered, or
 - iii. Any condition under which the Development Permit was issued has been contravened; or
 - iv. The Development Permit was issued in error, or
 - v. The applicant has requested cancellation of the Development Permit in writing, or
 - vi. The approved use or development is discontinued or abandoned for two or more consecutive years;
- b) A person whose Development Permit is cancelled, suspended, or modified may appeal to the Regional SDAB.

2-26 RE-APPLICATION INTERVAL

- a) Where an application for a Development Permit is refused, the submission of a second application for the same or similar use on the same parcel, may not be made for a period of six (6) months from the date of issue of the refusal, except where waived by Council.
 - b) If a second application is refused, a third application may not be made within one (1) year of the date of refusal.
- The determination of what constitutes the same or similar use shall be made by the Development Authority

Development Permit Conditions

2-27 CONDITIONAL APPROVAL

The Development Authority, in imposing conditions on a Development Permit for:

A Permitted Use:

- a) May impose conditions only to ensure compliance with the Bylaw;

A Discretionary Use:

- b) May impose conditions as deemed appropriate, so long as they serve a legitimate planning objective and do not sub-delegate the Development Authority's discretionary powers.

2-28 DEVELOPMENT AGREEMENTS

As a condition of approval, the Development Authority may require the applicant to enter into a Development Agreement with the Village, in accordance with the MGA, and may require the applicant to:

- a) Construct, install or pay for any improvements and utilities which are needed to serve the development or access to it;
- b) Pay an offsite levy or redevelopment levy;

- c) Repair or reinstate to original or improved condition any street furniture, curbing, sidewalk or landscaping which may be damaged or destroyed by the development; and/or
- d) Attend to all other matters the Development Authority considers appropriate.

2-29 ENCROACHMENT AGREEMENTS

If an applicant applies for a Development Permit for a building or structure that encroaches on property owned by the Village, the Development Authority may as a condition of approval require the applicant to enter into an Encroachment Agreement with the Village.

2-30 SECURITIES

- a) To ensure compliance with a Development Agreement the Village may require the applicant to provide an Irrevocable Letter of Credit, or any other acceptable form of security, to the Development Authority to guarantee performance of conditions imposed upon the Development Permit;
- b) The amount required as a security shall be based on the estimated cost of construction of on-site and off-site infrastructure unless otherwise determined in the terms of the Development Permit or the Development Agreement;
- c) Cost estimates are subject to review and verification by the Development Authority, and quoted costs shall be valid for the required work.

2-31 CAVEATS

To ensure compliance with a Development Agreement, the Village may register a caveat against a property being developed which shall be discharged upon the terms of the Development Agreement being met. This requirement does not apply to development under Federal, Provincial or local authority.

Development Permit Appeals

2-32 APPEALING A DECISION

- a) Any person affected by an order, decision or Development Permit made or issued by a Development Authority, including the applicant, may appeal the decision to the Regional SDAB pursuant to the 'Regional Subdivision and Development Appeal Board Bylaw', as amended;
- b) The Process followed by the Regional SDAB is articulated within the 'Regional Subdivision and Development Appeal Board Bylaw', as amended.

2-33 REGIONAL SDAB DECISIONS

- a) If the decision to approve a Development Permit application is varied by the Regional SDAB, the Development Authority shall be directed to issue a Development Permit in accordance with the terms of the decision of the Regional SDAB;
- b) If the decision to approve a Development Permit application is reversed by the Regional SDAB:
 - i. The Development Permit shall be null and void, and
 - ii. the Development Authority shall be directed to issue a Development Permit in accordance with the Regional SDAB decision.

SECTION THREE

Development Regulations

3

This section outlines the general regulations that apply to all development in Beiseker.

Building & Structures

3-1 ADDRESSING

All principal buildings shall have the civic address clearly displayed and easily visible pursuant to the 'Municipal Address Bylaw,' as amended.

3-2 BUILDING DESIGN

A building's character and appearance may be considered in the review of proposed developments with respect to the buildings:

- a) Consistency with the prescribed District;
- b) Compatibility with nearby buildings; and
- c) Compliance to the provisions of any Statutory Plan which sets out specific guidelines as to the design, character, appearance, or building materials used in a development.

3-3 BUILDING OR STRUCTURE HEIGHT

- a) As illustrated in **Figure 1 – Determining Building Height**, the base from which to measure the height of a building or structure shall be from any point on the finished ground elevation which adjoins an exterior wall;
- b) In determining the highest point of a building, any elevator housing, mechanical housing, roof stairway entrance, ventilation fans, skylights, steeples, smokestacks, or parapet walls are not considered part of a building; and

3-26 OFF-STREET PARKING

- a) Off-street parking for Non-Residential uses shall:
 - i. Have clearly delineated parking stalls, maneuvering aisles, entrances, and exits with pavement markings, signs, and/or other physical means,
 - ii. Be designed so as to restrict overland surface drainage beyond the boundaries of the parcel, and
 - iii. Be constructed with surface grades not exceeding 6%;
- b) Off-street parking for Residential uses shall:
 - i. Shall be located on the site of the development served by the parking, and
 - ii. Should be easily accessible to the corresponding building;
- c) Where a development consists of a mix of uses, the total off-street parking requirement shall be the sum of the off-street parking requirements for each use, unless it is demonstrated through a Parking Study that there will be complementary demand for parking that warrants a reduction in the total requirement.

3-27 LOADING SPACE

- a) Off-Street Loading Spaces Shall:
 - i. Have minimum dimensions of 4.0 m in width and 8.0 m in length;
 - ii. Have overhead clearance of at least 5.0 m above grade;
 - iii. Have vehicular access from a street or lane either directly or by a clearly defined traffic aisle; and
 - iv. Be Hard-Surfaced.

3-28 COMMUNAL PARKING

- a) In Non-Residential Districts, owner(s) may pool required off-street parking stalls within one (1) or more communal parking stall on a parcel other than the parcel of the principal use, provided:
 - i. The communal parking provides the sum of the off-street parking requirements for each development served by the parking facility. A smaller number may be permitted if supported by a Parking Study acceptable to the Development Authority,
 - ii. Owners enter into an agreement with the Village and consent to such an agreement being registered as an encumbrance against the titles of land involved, and
 - iii. Owners pay the full costs of preparing and registering the agreement.

3-29 PARKING STALL DIMENSIONS

- a) As illustrated in **Figure 4 – Parking Stall Dimensions**, unless otherwise specified, the minimum width and depth of automobile parking stalls is as outlined below:
