Jacob Hagel.

The question of the rink came up for discussion and owing to the fact that the rink was not in operation and that the work had been unavailing and nothing accomplished and that the Council had made a mistake in authorizing Anderson to do this work, it was decided to abandon the idea of a rink for this winter and that Anderson be placed on direct relief but that if a job could be gotten for Harold Anderson, for his board, on a farm, this is to be done.

The question of rent on Anderson's house was discussed and it was decided to pay the Pool Elevator Co. \$6.00 per month on the advice of Anderson that he had arranged with the Company for that price.

The Calgary Power Co. was to be notified that this Village would not be responsible for light bills in connection with Anderson's account.

Moved that the meeting adjourn.

Done and passed in Council assembled this 15<sup>th</sup> day of January, 1934.

Ed Bequest, Sec. Treas.
