To discuss the licensing of Track Buyers.
After much discussion it was deemed advisable to pass no By-law for such purposes until the Municipalities of Norquay and Keseno passed a like By-law, owing to the fact that both Municipalities had loading platforms available and, if they were not licensed, it would not be to the best interest of our Village to enforce such licensing.

Moved that the meeting adjourn.

Done and passed in Council assembled this 6th day of September A. D. 1939.
