The following Bills and Statements were authorized for payment: Sundre Contracting, 704.60; C.E.Ruby - 11.65; Beiseker Motors - 25.00; Adam Velker, 7.80; Crown Lumber - 2.55; F.B. Matthew's Co. - 5.25; Concrete Drainage Pipe - 63.42; M.D. of Kneehill - 528.00; Sec. Treas. L.W.Bunyan - 100.00.

The Mayor requested that the Sec. note that the Council had received and acknowledged a grant of \$2,502.03 from the Prov. Government.

The Sec. read a letter directing Carl L. Schmaltz, a local Merchant, to obtain a letter from the Council setting out their views and opinions in regard to his operating an Electrical Supplies and Appliances and Sporting Goods business at Beiseker. The letter was from the Department of Industries and Labour. After considerable discussion it was agreed that Carl L. Schmaltz would not be adding to the Village business places because he had just broken away from the Beiseker Motors partnership and taken his part of the business with him. The Council was assured that Beiseker Motors would not be requiring the license in the future and that ~~there would~~ therefore there would not be a new outlet for retail trade. The Sec. was directed to write a letter for the said applicant setting out the views of the Council.

The Secretary-Treasurer read a letter and produced an application form concerning renewal of bond No. III679 covering Lorne Wilfred Bunyan, Secretary-Treasurer of the Village of Beiseker. Moved by Councillor Leo that the Application be completed by the Council and the premium paid. Carried. The Application was filled out by the Mayor and signed by him; witnessed by Councillor Adam.

The Mayor requested that the Sec. cause building permits to be mailed to Dr. Verbeek and Joe Hagel who are both at present involved in building projects within the Village.

The Sec. Read a letter from Willson Stationary in Calgary who are prepared to sell the Village a fire-proof filing cabinet and take the Village safe as trade-in. The Council agreed that if a card system of keeping the records were approved by the inspectors that the cabinet system would be a great improvement over the present system. The Sec. was directed to make the necessary inquiries and bring up the matter again.

The Sec. gave notice that Rate payer J. Taffel of Kathryn had given a Cheque drawn on the Royal Bank in payment of taxes in Beiseker and that no account could be found there. The Sec. stated that he had already written Mr. Taffel and that he had received no reply. The Mayor suggested that the Sec. write Mr. Taffel again and that if the other council members see the said rate-payer that they mention the matter to him.

A discussion on reported after-hours sales by local merchants resulted in the Sec. being directed to prepare a form letter to be sent to all local merchants explaining the By-Law concerned.

The Sec. was directed to write to the local Calgary Power agent and request that their pole now on the intersection of 4th Street and 2nd Avenue be moved back off the intersection and that a street lamp be added.

The Sec. told the Council that he had been approached by ratepayer Anton Hagel for a light to be placed on the Calgary Power pole across the road from his residence. After some discussion the Council agreed that because the road and the land across ~~the~~

the road from Mr. Hagel's residence is Government property that a light could hardly be placed there and maintained at the expense of the Village. It was also noted that there is already one light on that side of the road in front of the Catholic Church which is paid for by the Village. The Sec. was asked to notify Mr. Hagel to this effect.

Moved by the Mayor that the Council agree to sell lots 6-~~II~~, in Block II at \$200.00 ea. Carried.

- The Council agreed to sell: lot 8 to Anselm Schmaltz
- " 9 George Schmaltz
- " 10 Joe Hagel
- " 11 E.B.Hagel

and that when the sale is to be made that the titles would be given in one group to Mr. F. Lount who would make the transfers.

After some discussion about the subject of water and sewage for the Village of Beiseker the Council agreed that their first move would be to write the Department of Health asking direction in the matter of a recognized surveyor who could survey the town for the project and estimate the cost. The Sec. was also asked to advise the Department that this is the first move in this direction and that they would appreciate any advise or aid.

The problem of having the fire siren turned on each noon for a test was discussed without result and tabled for further investigation.

Moved by Councillor Leo that we do now adjourn. Time 9:35P.M. Done and passed in Council\* this 19th day of September, 1952 A.D.

L. L. Schmaltz  
MAYOR

L. B. Bruner  
SECRETARY-TREASURER

*Testimony  
made  
by  
Sec. 3/5/52*
