

SPECIAL MEETING OF THE COUNCIL OF THE VILLAGE OF BEISEKER
FOR THE PURPOSE OF APPROVING THE PURCHASE OF A PUMP AND
THE CONSTRUCTION OF A PUMP HOUSE, July 29, 1953, 7:30p.m.
AT THE OFFICE OF THE MAYOR.

Present

Mayor L.L.Schmaltz
Councillors: Leo Schmaltz
Adam Velker

MOTION by Councillor Adam that the Village purchase a pump for the village well at an approximate cost of 1200 dollars and cause a pump house to be erected above said pump at an approximate cost of 500 dollars. This cost is to be absorbed through the surplus funds in the village account and for the purpose of allowing the village to come within their borrowing power for the proposed water and sewage project. It is noted by the council that the village would find it necessary to invest this sum of money for the said purpose regardless of the said project.

CARRIED

There being no further business to be taken up at this time Councillor Adam moved the meeting
