This meeting was an informal gathering to discuss some of the problems and to promote our airport.

The general consensus from everyone present was that we all have to set aside our differences and work together for the betterment of our Airport and ultimately our community.

Several suggestions were brought forward:

1. Inexpensive tie downs
  2. Promote our airport in Aviation papers
  3. The possibility of Canadian Army having ATCO trailer to house troupes while training at Beiseker Airport.
- Investigating the possibility of having 99'ers stencil or paint "BEISEKER" on runway at airport.
  - Start a letter writing campaign to promote our airport and to encourage economic development at our airport.
  - To contact all those present at the Oct. 28th meeting inquiring if they would be interested in being part of a committee promoting and advising Council about Beiseker Airport.
