The Village of Beiseker Council would like to thank those who gave of their time and the volunteerism during our recent flooding.

Special thanks go to our Public Works Department for their exemplary work and conduct during the emergency.

The Beiseker Fire & Rescue assisted in many ways. Thank you.

We also appreciated the assistance of the Alberta Emergency Management Agency and Rockyview County for their generous help and guidance.

Special Thanks to Mike Richter, our Emergency Response Director, for his guidance and the many hours attending meetings and seeing all objectives during the emergency were carried out and completed.

We really appreciated the efforts of the Village of Beiseker Administration Staff for their dedication in our time of need.

Thank you to Samaritan's Purse for the help they are giving to those who had flooding in their basements.

The support of the Red Cross helped those in need.

To the citizens of Beiseker, Thank You for your patience, Understanding, and cooperation.
