

## **Council Corner**

By Mayor Al Henuset

### **May 14, 2018 Regular meeting.**

John Hein from Alberta First Response provided information on how they can help our Medical First Response team provide services to Beiseker. They provide protocols and documentation for calls and are advocates for our responders. They will provide training.

Fire Department reported:

Uniforms and some equipment have been ordered.

The Medical First Responders should be ready to go soon.

Public Works reported:

Several curb stops have been repaired.

Sewer breaks have been discovered on 6<sup>th</sup> street and at the Medical Building.

CAO reported:

Business as usual.

The April Bank reconciliation was approved.

Councillors provided committee reports.

A working committee to address flood mitigation is to be formed.

Council requested the 2021 Centennial Committee provide a preliminary budget.
