The child comes home from his first day at school. Mother: "What did you learn today?"
 Child: "Not enough. I have to go back tomorrow."

A friend was assigned a new post to teach English to inmates in prison. Feeling a little nervous on his first day, he began by asking the class a basic question:
 "Now, who can tell me what a sentence is?"

Did you know?

Did you know dreamt is the only word that ends in 'mt'

- Did you know the first letters of the months July through to November spell JASON
- Did you know a cat has 32 muscles in each ear
- Did you know Perth is Australia's windiest city
- Did you know the Grand Canyon can hold around 900 trillion footballs
- Did you know all the blinking in one day equates to having your eyes closed for 30 minutes
- Did you know your foot has 26 bones in it
- Did you know the average human brain contains around 78% water
- Did you know your tongue is the fastest healing part of your body
- Did you know on your birthday you share it with 9 million others
- Did you know Pez was invented in 1927
- Did you know tigers have striped skin as well as fur
- Did you know the first toothbrush was invented in 1498
- Did you know a giraffe can clean its ears with its 21 inch tongue
- Did you know a full moon is 9 times brighter than a half moon
- Did you know a honeybee's top speed is 24kph (15mph)
- Did you know honey enters your blood stream within 20 minutes of being eaten

The Importance of Walking

Walking can add minutes to your life. This enables you at 85 years old to spend an additional 5 months in a nursing home at \$7000 per month.

My Grandpa started walking 5 miles a day when he was 60. Now he's 97 years old and we don't know where the heck he is.

If you are going to try cross-country skiing, start with a small country.

I know I got lots of exercise the last few years..... just getting over the hill.

Happy

WATER PRESSURE

Decrease in your water pressure??
Please notify the Village Office as this may indicate a water leak. Thank you! 403-947-3774

My fear of moving stairs is escalating!

BYLAW ENFORCEMENT

We're trying to keep Beiseker Beautiful! However, the condition of some properties requires enforcement of our Community Standards Bylaw and Bylaw Enforcement Policy #A-5

- An initial inspection of the property initiated by patrol or complaint
- If there is a contravention, a Notice to Remedy with a required time limit to remedy
- If not remedied, a Provincial Ticket will be issued
- If not remedied, a Notice of Entry will be issued. The Village will have the matter remedied.
- If necessary, a Court of Queen's Bench Injunction will result.

The *Municipal Government Act* of Alberta and Bylaws of the Village state that all costs associated with a Notice of Entry or Injunction will be charged to the landowner. Unpaid costs will be charged to the property tax account.

A clean and tidy village is beneficial to the well-being and safety of all residents. When everyone does their part, the costs associated with bylaw enforcement are reduced and the value of property increases. A win-win for everyone!

BEISEKER ANIMAL CONTROL

Our Animal Control Officer has been working hard this summer to reduce the number of feral cats and other wild animals that have been sighted in our village. While we appreciate those residents who have requested traps for their yards, **it is important to know there is a cost associated to the Village ratepayers for this service.**

There are a number of things that you can do to help keep our village free of these animals and your yard free of unwanted visitors!

- Talk to your Neighbours
 - Work with your neighbours to prevent their pets from visiting your yard.
- Contain your Garbage
 - Ensure garbage is properly contained in animal proof receptacles.
- Protect your Pets
 - Supervise your pet while they are outdoors, especially if they are in heat.
 - Do not allow pets to roam outside your yard
 - Ensure your pet is properly licensed
- Other Suggestions
 - Keep your outdoor cooking grill clean to avoid food smells
 - Ensure garbage, food, compost, animal feces, pet food and any other attractant to stray or wild animals are not left in your yard
 - Keep your backyard clean – remove any seeds and fallen fruits.
 - Avoid adding meat, fat or dairy products to your compost
 - Clear away brush and clutter that can harbor mice and other small prey that attract cats and other animals
 - Board up holes that give access to sheds, garages or under decks and porches.

Knock, knock who's there?
A broken pencil.
A broken pencil who?
Never mind....it's pointless!
